SESSION
FRIDAY | APRIL 2

WHAT IS SKIN OF COLOR?

Tan or darker pigmented skin - **People with skin of color are of diverse racial and ethnic backgrounds**, and include Africans, African-Americans and African-Caribbeans, South and Eastern Asians, Hispanics or Latinos, Native Americans and Pacific Islanders, as well as individuals of multi-racial descent.

WHAT IS THE SKIN OF COLOR SOCIETY?

SOCS is...

- a **professional dermatologic organization** established in 2004 by Susan C. Taylor, MD
- led by a **distinguished Board of Directors** which includes Drs. Amy McMichael, Seemal Desai, Marta Rendon, Gary Brauner, Pearl Grimes, John Harris, Roopal Kundu, Ginette Okoye, Babar Khan Rao, Susan Taylor, and Heather Woolery-Lloyd
- dedicated to promoting **awareness of and excellence** within skin of color dermatology
- a forum for the **exchange of information** pertaining to skin of color
- **committed to the education** of health care providers and the general public on dermatologic health issues related to skin of color
- committed to the enhancement of delivery of **appropriate and culturally-competent care** to patients with skin of color
- an active **research supporter**
- dedicated to **professional collaboration** including a **mentoring program** for younger members and individuals interested in the field of skin of color.
