12:55-1:00 PM – Welcome and Introduction - Amy McMichael, MD, SOCS President

Schedule of Events for SOCS 13th Annual Scientific Symposium 1:00PM-5:35PM

1:00-1:03 PM – Introduction Andrew Alexis, MD – 2017 Chair SOCS Scientific Symposium

1:03-1:10 PM – **Ajay Kailas, BS - University of Central Florida College of Medicine**

“A Social Media Survey to Assess Knowledge, Behavior and Physician Satisfaction Related to Skin Cancer Within the Skin of Color Population”

1:10-1:12 PM – Q/A

1:12-1:15 PM – Break, Seemal Desai, MD – Welcomes the Photomedicine Society

1:15-1:59 PM – **Sewon Kang, MD – Johns Hopkins Medicine, Chairman, Department of Dermatology & Photomedicine Society (Invited Speaker)**

“Factoring in Skin Pigment in Phototherapy”

1:59-2:06 PM – **Shawn Kwatra, MD - Department of Dermatology, Johns Hopkins University**

“Addressing Minority Representation in Dermatology Through a Structured Mentorship and Instructional Program”

2:06-2:08 PM – Q/A

2:08-2:38PM – **Michael H. Tirgan, MD – Keloid Research Foundation (Invited Speaker)**

“Medical Management of Keloid Disorder”

2:38-2:53 PM – Q/A

2:53-3:13 PM – Break

3:13-3:20 PM – **Tasneem Mohammad, MD - Henry Ford Hospital Department of Dermatology**

“Determine if Lower Concentrations of TCA Can Be Used to Induce PIH Comparable to Acne to Refine the Pre-existing PIH Model”

3:20-3:22 PM – Q/A

3:22-3:29 PM – **Jacob Subash, BS - Wake Forest Dermatology**

“Examining the Mechanisms for Other Scarring Entities That Are Common in African American Patient or Occur in the Skin Can Help to Inform the Mechanism of Central Centrifugal Cicatricial Alopecia”

3:29-3:31 PM – Q/A

3:31-4:01 PM – **Roy G. Geronemus, MD – Laser & Skin Surgery of New York & Clinical Professor of Dermatology, New York University Medical Center (Invited Speaker)**

“Lasers/Light Based Technologies for the Treatment of Hyperpigmentation”

4:01-4:16 PM – Q/A

4:16-4:23 PM – **Andrea Tan, BS - Department of Dermatology, University of Texas Southwestern Medical Center**

“Pentoxifylline for the Prevention of Post-Surgical Keloid Recurrence: A Retrospective Pilot Study”

4:23-4:25 PM – Q/A

4:25-4:32 PM – **Andrea Tovar-Garza, MD - University of Texas Southwestern Medical Center**

“Treatment of Active Vitiligo Using Oral Dexamethasone, NB-UVB and Clobetasol”

4:32-4:34 PM – Q/A

4:34-4:41 PM – **Elizabeth Lee, BS - University of Tennessee Health Science Center**

“Melanoma in African Americans: An Example of Healthcare Disparities or a Difference in Tumor Gene Expression?”

4:41-4:43 PM – Q/A

4:43-5:13 PM – **Buffie Longmire-Avital – Elon University, Associate Professor,
Department of Psychology Program Coordinator for African & African-
American Studies (Invited Speaker)**

“I Fought So Hard to Get Here?”: Navigating Microaggressions in Historically White Spaces”

5:13-5:27 PM – Q/A

5:27-5:35 PM – **Closing Remarks - Amy McMichael, MD, SOCS President**

5:45-7:15 PM –**Skin of Color Society Research Award Reception**
Room: Florida Ballroom C, Hyatt Regency Orlando

The Skin of Color Society gratefully acknowledges the Platinum corporate supporters of this program.

13th Annual Skin of Color Society Scientific Symposium POSTERS

- P001**
Jennifer Coias
University of Texas Southwestern Medical Center
"Measuring Vitiligo Activity: Validation of the Vitiligo Disease Activity Index (VIDA)"
- P002**
Juana Garza-Chapa, MD
University of Texas Southwestern Medical Center
"Immunohistopathological Characterization of Confetti-like Lesions in Patients with Vitiligo"
- P003**
Attiya Haroon, MD, PhD
Robert Wood Johnson University Hospital, Department of Dermatology
"Bedside Monitoring of Vitiligo Treatments in Patients with Skin of Color Using Reflectance Confocal Microscopy"
- P004**
Jorge Hinojosa, BA
University of Texas Southwestern Medical Center, Department of Dermatology
"CXCL9 Decreases in Vitiligo Lesions with Treatment and May Serve as a Biomarker of Disease Activity"
- P005**
Jorge Hinojosa, BA
University of Texas Southwestern Medical Center, Department of Dermatology
"Repigmentation of Vitiligo Lesions is Associated with Improved Quality of Life and May Lower Risk for Depression"
- P006**
Bridget Kaufman, MD
Mount Sinai St. Luke's
"Efficacy of Calcipotriene 0.005%/Betamethasone Dipropionate 0.064% in Skin of Color: Preliminary Data From 3 Pooled Multi-center, Randomized, 4-week, Parallel-group Studies in the United States"
- P007**
Bridget Kaufman, MD
Mount Sinai St. Luke's
"Correlation Between Fitzpatrick Skin Type and Mexameter Measurement of Skin Pigmentation in a Predominately Skin of Color Population"
- P008**
Nicole Leung, BS
Duke University School of Medicine, Duke University Hospital, Department of Dermatology
"Successful Treatment and Long-term Remission of Erythema Dyschromia Perstans (EDP) in a Patient Using Narrow Band-UVB"
- P009**
Mayra Maymone, MD, DSc
Boston University
"The Impact of Hyperpigmentation on Quality of Life"

- P010**
Ella Miller, MS
UT Southwestern Medical Center, Department of Dermatology
"Influence of Race, Ethnicity, Acculturation, Gender, and Age of Onset on Quality of Life in Patients with Vitiligo"
- P011**
Cynthia Nicholson, MD
Henry Ford, Department of Dermatology
"The Efficiency of Product Testing Techniques to Assess the Use of a Plant Extract in Treating Postinflammatory Hyperpigmentation"
- P012**
Uzoamaka Okoro, BA
The Warren Alpert Medical School of Brown University
"Skin of Color in Preclinical Medical Education"
- P013**
Erere Otrofanowei, MBBS
Lagos University Teaching Hospital
"Erythrodermic Psoriasis Advancing to Nodular Mycoses Fungoides in a Young Nigerian- the Need for Repeat Biopsies"
- P014**
Stavonnie Patterson, MD
Northwestern University Feinberg School of Medicine
"Black Patients' Lived Experiences in Skin of Color Centers"
- P015**
Angelique Ross, MD
Royal Melbourne Hospital
"Australian Dermatology Trainee Perspectives on Skin of Colour: Results of a National Survey"
- P016**
Rithu Srikantha, BS
University of Iowa Hospital and Clinics, Department of Dermatology
"Implicit Association within Dermatology"
- P017**
Jacob Subash, BS
Wake Forest Dermatology
"(http://www.sweatandhair.com); A Specialty Website was Evaluated for Use as an Educational Tool for Young African-American Women Students on a College Campus"
