Dermatologists of Tomorrow Scholarship

presented by Clinique & SOCSF

Program Overview

The **Dermatologists of Tomorrow Scholarship presented by Clinique & SOCSF** provides financial support and mentorship to medical students who aspire to pursue careers in dermatology and who are committed to health equity.

Program Objectives

- To provide financial support to medical students for educational expenses associated with applying to dermatology residency.
- To broaden access to the specialty of dermatology.
- To boost the number of individuals in the field of dermatology who are committed to serving underserved, underrepresented, and marginalized populations.
- To cultivate scholars who successfully match into dermatology programs, and also develop into future dermatology leaders who are committed to health equity.

Required Documents

- ✓ **Completed Application Form**
- ✓ **Personal Statement**
Outline career goals and dedication to dermatology with a focus on underserved, disadvantaged, and marginalized populations.
- ✓ **Curriculum Vitae (CV)**
- ✓ **Two Letters of Recommendation (LORs)**
From individuals who can speak to your teamwork, collaboration, and leadership potential.
- ✓ **Letter of Enrollment & Good Standing**
Official confirmation from U.S. medical school.
- ✓ **Step 1 Transcript or Score**
- ✓ **Official Medical School Transcript**

Eligibility Criteria

- **Medical Student Membership**
Must be an active medical student member of the Skin of Color Society.
- **Residency Path**
Planning to submit an ERAS application for dermatology residency in the application cycle.
- **U.S. Medical School**
Students who will be entering their fourth year of medical school.
- **Academic Excellence**
Demonstrated academic achievement, as evidenced by a strong CV and recommendation letters.
- **Commitment to Health Equity**
Applications are open to medical students, particularly those with financial need, and are encouraged from those with a demonstrated commitment to serving underserved, disadvantaged, and marginalized populations.
- **Financial Need**
Must exhibit financial need to support the dermatology residency application process.
